The Midwest Region Burn Conference is the premier burn educational event of the midwest region and is designed for all care disciplines. The midwest region includes nine states – Illinois, Iowa, Kansas, Minnesota, Missouri, Nebraska, North Dakota, South Dakota, and Wisconsin. Attendees also represent additional states from across the United States.

The conference will provide a comprehensive agenda with content covering best practices in clinical care, research, education and outreach with a focus on improving outcomes in burn care through a multidisciplinary team effort.
