

Occupational Therapist  $\frac{3}{4}$  to full-time Iowa City, IA

Do you envision yourself working for a growing, innovative company? We are looking for a 3/4 to full-time occupational therapist to join our Iowa City-area facilities. The position is structured as 80% outpatient and 20% inpatient at Mercy Hospital (typically one day per week). We have strong relationships with area primary care providers and specialists resulting in a varied caseload that includes post-surgical, work comp, outpatient neuro, and a small amount of home health. We offer a competitive salary, comprehensive benefits package, and encourage program development based on therapist's areas of interest. This is a great opportunity to grow as a professional with experienced clinicians as colleagues. Both experienced OTs and new grads are encouraged to apply.

Progressive Rehabilitation Associates, LLC is a therapist-owned rehab company based out of Iowa City offering inpatient and outpatient PT, OT, and ST services to eastern Iowa. We have over 20 years of commitment to caring for members of our community. Progressive Rehab is committed to our values of integrity, community involvement, and professional growth. Iowa City, home of the University of Iowa, offers cultural experiences, sports and many amenities not found in other cities of its size. Come be part of our winning team!
