Now hiring: Occupational Therapy Assistant

Looking to help individuals with disabilities live their life to the fullest? Join Optimae Rehabilitation Services! With our continued growth, we're looking to hire a new member of our team.

This individual will assist in maintaining an inclusive and accessible occupational therapy program to meet the needs of those we serve. This position will include a combination of outpatient and home health service provision.

New grads welcome!

What we provide

- ▶ **Flexibility:** Build your schedule based on customer availability
- ▶ **Financial support** for continuing education and specialty training
- ▶ **PTO**, with contracted back-up staffing to encourage life balance
- ▶ **Full benefits:** Medical, dental, vision, flex spending account, HSA, life insurance, employee assistance program, 401k and more

Our culture

At Optimae, our core values apply to both our customers and employees. This foundation allows our employees to let their creativity and individuality show, and their work shine. With a supportive, mission-driven culture, many employees have started at Optimae and stayed for good.

“...Optimae really is at your side, and on your side. They care about their employees and try to make coming to work an enjoyable experience. They offer extensive training and feedback as well. I would highly recommend working for this company!”

“This company has excellent values and outstanding compassion. Not only do they genuinely care about the customers being served but every employee as well.”

“Optimae is a home for all. They work hard to do what they can to watch you succeed. It's a great place [to] start your journey with little experience and gain knowledge and friends and family.”

Optimae

REHABILITATION SERVICES

Who we are

Optimae Rehabilitation Services is a division of Optimae LifeServices, which has been assisting individuals with their mental health, visible and invisible disabilities, and other barriers for more than three decades. Optimae serves more than 5,100 customers across central, eastern, northeastern and southern Iowa.

We pride ourselves on ensuring those we serve — our customers — are living their life to the fullest with the greatest level of independence.

Where we serve

Our rehabilitation services can be provided from Optimae's outpatient clinic in Des Moines' East Village, a customer's home or within the community. We meet our customers where they are in their recovery journey.

We continue to grow throughout Iowa and currently serve the following counties:

- ▶ Dallas
- ▶ Jasper
- ▶ Madison
- ▶ Marshall
- ▶ Marion
- ▶ Polk
- ▶ Story
- ▶ Warren
